

LG Cloud Device Zero Client

24" All-in-One Zero Client

24CK550Z

- 23.8" Full HD (1920 x 1080) IPS Display
- Teradici® TERA 2321 Chipset with PCoIP Protocol
- Ergonomic Stand (Tilt, Pivot, Swivel, Height Adjust)
- Built-in Speaker
- VMWare View, Amazon WorkSpaces
- Fanless Design

Secure and Powerful

The LG All-in-One Zero Client doesn't store data in the device itself, but stores data encrypted safely in the cloud server. In other words, no data will be found once Zero Client is unplugged, so users can experience a high level of security. And also, the 24CK550Z supports hardware decoding, allowing users to view high-resolution media without delay.

Maximized Usability and Convenience

The 24CK550Z, with an IPS display that offers a wide viewing angle, provides uniform images from any angle with accurate color expression.

This design eliminates cable clutter by minimizing the outputs required to operate the system. This helps clear more room for your workstation with the need for fewer cables.

Additionally, 24CK550Z is fanless, meaning less noise in your workplace environment.

User Friendly Design

The ergonomic stand tilts, swivels, pivots, and is height adjustable for a customizable workstation configuration.

Also take advantage of a wider workstation and greater productivity connected to the LG Monitor* with a matching design. Connecting with a Full HD resolution monitor also allows you to use your workstation more efficiently.

*LG Monitor is recommend for the 24CK550Z with 24BK750Y or 24BK550Y

Specification

Model Name		24CK550Z (24" All-in-One Zero Client)
Display	Inch	23.8"
	Aspect Ratio	16:9
	Panel Type	IPS
	Resolution	1920x1080
	Brightness (Typ./Min.)	250cd/m ² , 200cd/m ²
	Contrast Ratio (Typ.)	1,000:1 (Typ.)
	Response Time (GTG)	5ms (High)
	Viewing Angle (CR≥10)	178°/178°
System	Processor	Teradici® TERA2321
	Protocol	PCoIP
	Memory	512 MB
Connectivity	DisplayPort	1 x DisplayPort (Output)
	D-Sub	1 x D-Sub (Input)
	USB	6 x USB 2.0
	Mic-in	Yes
	Headphone Out	Yes
Network	Ethernet	Yes (10/100/1000)
Speaker	Built-in Stereo	Yes (3W x2)
Dimension & Weight	WxDxH (with Stand)	553.8 x 512.9 x 240 mm
	WxDxH (without Stand)	553.8 x 333.1 x 67.6 mm
	Weight (with Stand)	6.0 kg
	Weight (without Stand)	3.85 kg
	VESA	100 x 100 mm
Stand	WxDxH (with Stand)	-5°~35°
	WxDxH (without Stand)	0~355°
	Weight (with Stand)	130mm
	Weight (without Stand)	±90° (Bi-directional)
