# GSCD Ultra Light Series

Lightweight Design

Easy Maintenance

IP Rated  
Weatherproof Design

90° Corner Design  
Available

Front or Rear  
Serviceability

## Lightweight Design

The weights of the cabinet is very light, so even if a large LED screen is installed on the roof, it puts less pressure on the building's load.

## Easy Maintenance

The control unit (PDU) of the cabinet is a modular type which can be easily attached or detached, supporting easy maintenance.

## Front or Rear Serviceability

The product offers either front access or rear access, allowing customers to choose installation options according to their environment.

## 90° Corner Design Available

If you add a 90° corner option\*, the GSCD series can deliver content effectively even when installed on the corners.

## IP Rated Weatherproof Design

The front and back of the cabinet are IP65 certified, allowing stable operation less affected by weather.

\* Require purchase of 90° corner installable model.
